SCO Secretary-General Mr. Zhang Ming

Mr Secretary-General!

On September 15, 2022, in the beautiful city of Samarkand of the Republic of Uzbekistan, a meeting of the Council of the Heads of State - the Members States of the Shanghai Cooperation Organization will be held. The priority goals of the SCO are to strengthen trust between countries, good-neighborly relations, stability and security in a wide area, which is united by the States. With great excitement and anxiety, hope and faith, the most beautiful, sensitive and responsible half of Humanity is watching the work of the summit - this is the International Peacekeeping Movement "Women Dialogue". Women of the World unite so that our Earth, our common Home is not threatened by war, violence, terrorism, hatred and enmity. Local conflicts do not stop. Ukraine and Donbass, Armenia and Azerbaijan, Tajikistan and Kyrgyzstan, Afghanistan and Syria, and this list, unfortunately, is expanding. Behind all these conflicts are human lives, pain and loss, and the main load in them is borne by the Woman. In your person, I would like to address the World Leaders, the Heads of State of the SCO - Lord Presidents - do everything possible for diplomatic, political, human dialogue between You! We must preserve our beautiful Earth for future generations, make it cozy and comfortable for every child, regardless of nationality and religion. What did our Heroic parents, grandparents do for our generation living today, defending the world at the cost of their own lives in World War II, giving us the most precious right - the right to life. In the name of Life, in the name of goodness and beauty on Earth, please accept my sincere wishes for the successful work of the SCO summit, an authoritative international cooperation organization.
